### W.I. Constituency Convention

The W. I. District convention for 1924 was held on October 31st, in Ball's Hall, Sibbald. Owing to bad weather the attendance was not large, there being about 40 members and some visitors present. Mrs. Regan, District Convener, occupied the chair and introduced Mrs. Huyck, district director, as speaker of the day. The meeting opened by singing "O Canada," repeating "The Lord's Prayer" and the W. I. Creed. The secretary-treasurer's report was read and adopted. Very satisfactory reports from the different institutes were read and discussed, some useful hints and information being gathered from same. Miss Swartzlander, of Oyen, gave two solos and Mr. Holden, of Springburn, also contributed two songs. Mrs. Huyck, district director, gave an address in "The Women's Institute and Success Same." She dwelt on the fact that more institutes were needed, and more enthusiasm needed in each institute—the W. I. was the best women's organization—barring none in Canada, undomesticated, unselfish, taking all classes and creeds. She spoke of the first W.I. meeting being held in Stony Creek, Ontario, when there were 101 women and one man present. It was at this meeting the motto "For Home and Country" was adopted. The result of the meeting was the Federated Women's Institutes of Canada, branching out provincially and nationally. Mrs. Huyck concluded her address by urging peace in the home and the community. All centering toward a great world's peace. The meeting then adjourned for dinner, which was served in the Hall, by the Sibbald ladies.

### Afternoon Session

Regan was called to order by Mrs. Meakin at 2 o'clock. An address of welcome was given to the visiting institutes by Mrs. W. E. Mowere, of Sibbald. Mrs. Mowere gave a very witty tale and spoke of a "wave of good cheer" being needed in the country under the present hard conditions. This was supported by Rev. Oakley, pastor of Alaskan and Sibbald United Churches. Mr. Oakley spoke of the novelty and pleasure it gave him to be present at this women's gathering also his appreciation of the splendid entertainment provided and closed with good wishes for the success of the W.I. The roll call was answered by the ladies telling "where they were married and what they were." Mrs. Jardine, of Sibbald, gave two solos in her usual pleasing manner. The district convener, Mrs. Regan then gave her report, telling of the different institutes she had visited during the year and said that she had been especially struck by the spirit they had shown "not for self, but for others."

Mrs. Huyck brought up the district convener's convention and wished to get the feelings of the different institutes whether or not they thought it advisable to contribute to a fund for same. After some discussion, a motion was made by Mrs. Regan, seconded by Mrs. England, that the subject be taken up at some later date—motion carried.

The audience then enjoyed a piano solo by Mrs. Frank Harrison, of Sibbald. Mrs. Huyck spoke of the constituency fund, thinking that the institutes should give a little more freely to the fund and not give away too much to outside, if it was needed to run our own institution. It would be a good plan to make a stated sum, so much per head. Mrs. Youell moved and Mrs. Jardine seconded that they make it per capita tax of 30 cents—motion carried.

Mrs. Huyck spoke of the Home service work and thought the institutes should take together should try and choose the same speaker or instructor.

### British Like Alberta Butter

Writing from England in reference to shipments of Alberta butter to that market the past season, one prominent broker states as follows: "We have had several good-sized shipments from Alberta creameries over this route (the Panama) this year and are pleased to say that they were well received. We say that in every case we have had entire satisfaction from the butter." The product itself has been without question the finest that we have received this year from Canada. The texture of your Alberta butter fits its reputation (the Menders) far superior to that of any other province of Canada."

After a discussion on the different subjects, millinery seemed the choice of the majority.

It was decided that the latter part of July or beginning of August would be a better time than October for holding our annual constituency conference.

Mrs. Meher, of Sibbald, gave a delightful solo and responded to an encore.

A report of the branch convener was called for, but owing to so many being absent few responded. Mrs. Bray Convener for Legislation, spoke briefly on Mother's pensions and also the Dower Act—mentioning home economics. Mrs. Huyck suggested that each institute make a drawing or diagram of a handy kitchen and bring it to our next convention. Mrs. Regan thought it would be well for each institute to appoint a publicity convener. Mrs. Huyck urged the branch convener to act, write papers and bring to the convention as it gave chance for instructive discussion.

Mrs. Ray Anderson was appointed convener for Child Welfare and Public Health and Mrs. Boyson, of Rush Centre for Agriculture. A very appropriate and catchy song was then sung by three members from Springburn. The meeting closed by singing "God Save the King."
